

Prayer of Forgiveness

Holy Spirit, please show me whom I need to forgive.... (*Be still and listen.*)

Heavenly Father, I choose today to forgive [*name*] for [*what they did*]. I completely forgive this person and anyone else who has betrayed me, hurt me, or offended me. I give them a free gift of my forgiveness, as you have freely forgiven me. They owe me nothing. I let that debt go to the foot of the cross. I ask you, Father, to bless them abundantly and bring them to eternal life. And Lord, where I have judged others in hurt, pain and bitterness, I acknowledge that as my sin and I repent. I ask you to forgive me and cleanse me, Lord, from anything that would still be holding on. I put the cross of Jesus between me and any sowing and reaping that's going on in my life. It stops today. Father, I also forgive myself for all my sins and failures, because you shed your precious blood for me on the cross. Thank you, Lord, for setting me free.
